

# Use of the Sports Premium

The Sports Premium is used within Frank Wise School to support engagement and achievement of all pupils, following our inclusive ethos.

The principles underlying our use of this grant are that we want to:

1. Prioritise the physical ability of all pupils to engage with movement and physical activity in ways which ensure that they benefit from their education in all senses
2. That the staff working with our children are as highly skilled in teaching sports and physical development as possible
3. That we endeavour to provide the best PE equipment that we can, again ensuring that the inclusive ethos pervades this layer of the use of funding too.

## *Use of the Sports Premium 2014 - 2015*

Allocation This Year	Motor Impaired Equipment	Staff Training	Resources
£8,000	£5,000	£2,000	£1,000
	3 standing frames	5 workshops for 25 staff	Outdoor equipment for KS3 & KS4

We have invested in 3 standing frames, which enable 3 pupils of differing ages, all with severely limiting physical difficulties to be in a standing position which promotes good posture and active participation in modified sporting activities. This equipment is used by each pupil on a daily basis for at least one hour and on the basis of other similar equipment owned by the school, it is likely to last for 20 years and will be used by numerous pupils over those years.

We have plans to train both teachers and support staff on the use of tactical defence in the context of team games in January 2014, led by a qualified coach. This will be supplemented by additional training opportunities to strengthen the delivery of the Physical Development aspect of the curriculum.

£1,000 is allocated to enhancing the outdoor PE facilities for our secondary pupils, but will be held over to the second year of funding so that external gym equipment can be installed on the area where a temporary classroom is being removed during Spring and Summer 2015.
