

Use of the Sports Premium

The Sports Premium is used within Frank Wise School to support engagement and achievement of all pupils, following our inclusive ethos.

The principles underlying our use of this grant are that we want to:

1. Prioritise the physical ability of all pupils to engage with movement and physical activity in ways which ensure that they benefit from their education in all senses
2. That the staff working with our children are as highly skilled in teaching sports and physical development as possible
3. That we endeavour to provide the best PE equipment that we can, again ensuring that the inclusive ethos pervades this layer of the use of funding too.

Use of the Sports Premium 2016 - 2017

Allocation This Year	Motor Impaired Equipment	Staff Training	Resources
£8,218	£6,500	£1,718	£0
	3 standing frames and accessories.	Staff workshops (x 30 people)	

We have invested in 3 standing frames, which enable 3 pupils of differing ages, all with severely limiting physical difficulties to be in a standing position which promotes good posture and active participation in modified sporting activities. This equipment is used by each pupil on a daily basis for at least one hour and on the basis of other similar equipment owned by the school, it is likely to last for 20 years and will be used by numerous pupils over those years.

This is supplemented by additional staff training opportunities to strengthen the delivery of the Physical Development aspect of the curriculum, developing expertise in Moving and Handling.
