

Friday 4th March
2:30pm iWise

The student council held their first meeting of the Spring term.

We discussed...

- reorganising our meeting with Sean and Chris
- starting our school mural competition

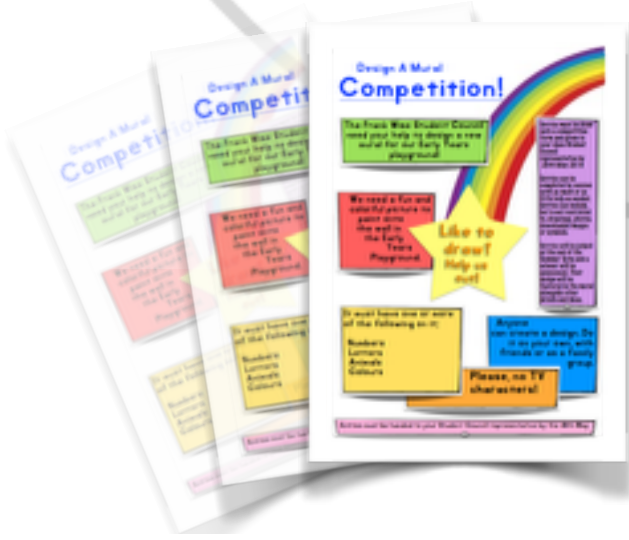

THE FRANK WISE STUDENT COUNCIL MURAL COMPETITION HAS BEGUN!

Students can now enter into an art competition aiming to find a winning design to paint as a mural in the Early Years Playground. Entry forms are available from class teachers. Check out our poster on the student council notice board for more details.

The student council of 2014-15 worked very hard in designing the competition for the rest of the school, and we are excited to finally get it going. Good luck to all the entrants!

Our next meeting will be on **after the Easter holidays** in **iWise** at **2:30pm**
