

## Inclusion

All the classes in the school go to inclusion with local mainstream schools. The classes go on different days and are involved with a variety of different lessons. e.g. Art or PE.

Some pupils are also involved in individual placements.

## Student Council

Every student has the chance to take part in the student council. The students take part in a yearly election. The student council help to put forward the students' point of view and ideas about the running of the school.

## Further Information

You can find out more about us by going to the Frank Wise School website. The address is:

Welcome to Frank Wise school. This is a leaflet designed by our pupils for children who are looking at joining us. The school caters for children and young adults from ages 2-19 years, who have Special Educational Needs. We think it is a brilliant school and our Ofsted reports say the same.

## Trips

The whole school has the opportunity to take part in trips & residential.

The junior school

have day trips out to places like the Cotswold Wild Life Park and Thomley Hall. and short overnight stays in places like Stratford Upon Avon

The Senior school go on residential from a few days to a week away. e.g. Cornwall, Nottingham, Barcelona and the Isle of Wight.

## Facilities

The school has lots of different facilities which are used by the whole school. These include a drama room, music room and kitchen.

There are other facilities within the school which can be used by both the school and the local community. These include the hydrotherapy pool which can be used for parties and open swimming and the iWise media centre which can be used during the holidays as well as in term time.

## Lessons

Max says "Lessons are fun." We have four lessons a day, two in the morning and two in the afternoon. Every Friday we go to assembly.

We are very lucky to have our own swimming pool and lots of separate spaces, for example we have our own drama room and music room. Although every class has their own ICT equipment we also have a media centre for special projects called iWise.
