

Frank Wise School Newsletter

Welcome back

As ever time moves quickly in school and with a month of the new academic year having passed already, we hope that your children have settled in well to their new classes. I know that from our point of view things appear to have started well and pupils and students both old and new have managed the changes very successfully.

At Frank Wise we pride ourselves on the relationships with families and indeed the wider community, so if there is anything you are unsure about or would like to discuss then please don't hesitate to contact us.

Hanging Baskets

The opportunity to access wider educational experiences is a key part of what we do at Frank Wise, whether it be the weekly inclusion, the community based education in the GC or participating in specific local events. Most recently the 5th Family Group have been helping to plant up Hanging Baskets in the Community Garden. So if you see some nice floral displays around the school, then they will have been produced by our pupils.

Pool Donation

We were really grateful to recently receive a donation from one of our regular therapy swimmers to go towards the Hydrotherapy pool. The contribution made towards the funding of the school by the local community is highly valued and much appreciated.

Parent Mail

We have had a great response to people signing up to our new Parentmail App and parents are reporting that they are finding the system really easy to use. Payments can still be sent in to school, in clearly marked envelopes, via the school diary. If you haven't had time to do so yet, please take a moment to register. This will be our main channel for general communication such as newsletters, school closures etc. Please do rest assured that we will still use the Home School Diary for communication specifically about your child.

Giving Machine

When you start thinking about Christmas Shopping, please sign up to the Giving Machine. If you register Frank Wise as one of your chosen charities, every time you shop using their link the school gets varying donations. You will also receive promotions and different discounts on their site.

GC Enterprise

With Christmas around the corner, the GC will soon be launching their new festive designs. Further detail to follow in due course.

Meeting with Simon And Heidi

Finally, just a reminder that on Wednesday 3rd October at 10:00 and at 18:00 we will be hosting a brief meeting to set out our thoughts for the future. Please let the Office know if you would like to attend.
