

Use of the Sports Premium

The Sports Premium is used within Frank Wise School to support engagement and achievement of all pupils, following our inclusive ethos.

The principles underlying our use of this grant are that we want to:

1. Prioritise the physical ability of all pupils to engage with movement and physical activity in ways which ensure that they benefit from their education in all senses
2. That the staff working with our children are as highly skilled in teaching sports and physical development as possible
3. That we endeavour to provide the best PE equipment that we can, again ensuring that the inclusive ethos pervades this layer of the use of funding too.

Use of the Sports Premium 2017 - 2018

Allocation This Year	Motor Impaired Equipment	Staff Training	Resources	OSLO	External grounds
£16,000	£10,000	£500	£1,000	£2,500	£2,000

We have invested in Motor Impaired Equipment (Three x Standing Frames) to support pupils of differing ages, all with severely limiting physical difficulties to be in a greater variety of positions which promotes good posture and active participation in modified sporting activities. This equipment is used by each pupil on a daily basis for at least one hour and on the basis of other similar equipment owned by the school, it is likely to last for 20 years and will be used by numerous pupils over those years providing a high level of value.

Funding has been used to support the cost of staff training on manual handling to ensure staff are enabled to effectively support pupils' postural management, mobility and physical wellbeing.

Funding has been used to enhance the quality and quantity of PE resources available to pupils across the school, as well as supporting the cost of reinstating the astroturf pitch in the Secondary playground, providing all weather access to outdoor space, and an accessible path to support access for those with mobility needs.

Funding has been used to support the work of the Out of School Liaison Officer (OSLO) in ensuring that we maximise the number of pupils who have access to high quality physical activity beyond school.
