

Bingo

Bingo! We would once again like to thank Rob & Tina Sprittlehouse for running a Family Easter Bingo night earlier this month. They raised just over £200! Not only was this a great fundraiser but a great social activity for our pupils and their families, staff and friends.

Respecting our Neighbours

We have unfortunately had a complaint from a carer for one of the residents in Woodlands flats. She attends her client on a daily basis for medical needs and has, on more than one occasion now, not been able to park in the designated parking spaces or, having been parked in a designated space, been blocked in by visitors/parents to the school and therefore delayed from getting to her next client. We saw an improvement in people respecting the private parking spaces of the flats and would appreciate if this could be continued. The residents are within their rights to take legal advice regarding people trespassing on their private property.

Quiz Night

The next Friends of Frank Wise event is the Annual Quiz being held at the Rugby Club in Bodicote on May 17th. Entry forms have gone home in diaries and are also available from Reception or via the Friends Facebook page.

Bus Advertising

As many of you will be aware from the coverage in the national press, school funding is becoming increasingly challenging and this is affecting Frank Wise, just like many other schools. In order to try and protect the educational experience the children receive, we are looking at further ways of bringing additional income into the school. One of the ways we will be doing this is by displaying the logo of local companies on our school buses, in return for an annual payment, so keep an eye out to see who is supporting us, as this additional income is vital to maintaining the quality of education we offer at Frank Wise.

3FG Go Back in History

The 3rd Family Group had a wonderful day at Holdenby House learning about World War II, to round off their History topic.

Thank You!

As we come to the end of another term, we just wanted to say a big thank you for the support and encouragement we have received since becoming Joint Headteachers back in September. We are extraordinarily proud to be able to lead this school and serve the Frank Wise School community.
