

Dear Families,

Wednesday 25th November 2020

Residential Visits during 2020/21

We hope that this letter finds you well and that you are managing to successfully navigate the ongoing disruption to all our lives caused by the Covid-19 pandemic.

We continue to be hugely appreciative of the support of the wider community of the school and the understanding you have shown us as we try to guide the school through the ongoing challenges.

Throughout this period, we have tried to act decisively and clearly in order that you know what to expect and can plan accordingly. It is in that spirit that we are writing to you to let you know that, for this academic year, **we will not be organising any residential trips.**

The reason for this is that there is still too much uncertainty with regard to whether these can safely take place and the amount of planning and preparation that is required, as well as financial commitments from you as families, mean that we believe it is better to make the decision now, rather than see trips cancelled at the last minute.

We appreciate that for some of you this news may be a relief, whereas for others it will be a disappointment. However, we will continue to keep the situation under review and in the event that things change for the better, we will look to put in place some day trips and class events to supplement the curriculum and ensure we provide the children with the best experiences as possible.

Thank you once again for your understanding and support. It really is very much appreciated.

Kind regards,

Heidi Dennison and Simon Knight
Joint Headteachers
