

January 2021

Dear Families,

Please find below an outline plan of the dates for this year's Annual Review meetings. Precise times will be sent out after the Easter holiday, but we know advanced notice of the day that the meetings are due to take place is useful in planning your diary.

Please note that, due to the meeting time plan being arranged to suit class timetables, as well as advanced notice of the dates having been shared with other professionals, it is not possible to alter the dates or times of the meetings. We hope that, by giving reasonable notice, it will be possible for you to make arrangements to ensure that you are able to attend.

Yours sincerely,

Heidi Dennison
Joint Headteacher
