**Ref: Closure of the Frank Wise School on Monday 4 October 2021**

Dear parents,

Thank you for raising your concerns about the impact the Women's Tour cycling race has had on your children's education.

We are very sorry for the inconvenience caused by the race passing by Frank Wise School on Monday 4 October.

We recognise that the school closure will have an impact on your children, on childcare arrangements, and on your family on that day.

Engaging with schools in particular, and other local stakeholders, is always one of our key objectives in planning race events, so we can work around their needs and give them the opportunity to watch and be inspired by the race.

We should have recognised the complex requirements for pick-up time at Frank Wise School, and the specialist support that the pupils need, at an earlier stage.

You have our assurance that we and our partners at the local authorities that we work with are going to ensure that this point is recorded as a point to improve on in the future.

Yours sincerely
