

## Inclusion returns

It has been wonderful to see some of our inclusion activities and partnerships restarting. As part of this, the 9th Family Group enjoyed a fun morning at Woodeaton Manor School, as guests of the Duke of Edinburgh's Award Scheme group. Tea and cake was provided, plus there was the excitement of seeing some chickens that the pupils have raised from eggs. The groups are hoping to be getting together again, as the Woodeaton pupils are hosting a Christmas party as part of their work toward achieving the Duke of Edinburgh's Award.

## Face masks at drop off and pick up

In many parts of our day to day lives, the need to wear masks has become less critical, and in the majority of cases entirely down to individual choice. However, we would be really grateful if they could be worn by families when collecting or dropping off children by foot or by car. The case numbers locally are increasing and we want to do all we can to keep the community of the school as safe as possible.

## Christmas Variety Performance

The Frank Wise School Christmas Variety Performance will be premiered on Wednesday 15th December at 17:00 for Primary and Early Years pupils and 18:00 for Secondary and GC students. A Zoom link and details of how to join will be shared in the

coming weeks. For those not able to join on the Wednesday, a third showing will take place at 17:00 on Thursday 16th December with the link available on a first come first served basis for no more than 100 attendees. Details of how to access this will also be in the letter.

## Getting out and about

Classes have increasingly been able to make better use of the community facilities in order to support the pupils to become more familiar with being out in the wider community as part of their education. In the 7th Family Group, they have been talking about the idea of feeling safe and taking risks on purpose and discussing how that might feel in their bodies, during their PSHE lessons. They put the ideas into practice in the park.
