

Frank Wise School Newsletter

SEND Green Paper Consultation

The Government is currently consulting on a range of changes relating to the SEND system. Many of these changes are likely to have an impact on Frank Wise, and as such on the families and young people that we serve. If you are interested in finding out more about what is being considered, and would like to contribute to the consultation process, then the details can be found here - <https://sendreview.campaign.gov.uk/>

Financial Support

As we are sure you are all noticing in a range of ways, the increases in the cost of living is

becoming a more significant issue across society. To support those members of our community who would benefit from assistance, where it is available, Natalie Dayer has put together a document to share a range of sources of information, advice and guidance. The document can be accessed here - <https://frankwise.oxon.sch.uk/wp-content/uploads/2022/05/Financial-Help-May-2022.pages.pdf>

Rebuilding our Routines

Over the course of the past few weeks we have been slowly reintroducing aspects of the school's routines that have been absent as a result of the COVID-19 pandemic. The highlight so far has been having the school participate in face to face assemblies, sharing songs together and celebrating achievements in person. To begin with, this is only involving half of the school as a time, with Primary classes one week and Secondary the next. After half term we are aiming to have everyone together for the first time in over two years!

We have also just reintroduced face to face clinics with Dr Goyal, which so far seem to have been working well.

Hopefully this is the beginning of a sustained period of greater normality, but should this, for any reason, end then we are well placed to reinstate the mitigations we have used previously.

Jubilee Tree Planting

We were fortunate to be visited by the Lord Lieutenant of Oxfordshire this month, who came to plant a tree with the 6th Family Group in recognition of the Queen's Platinum Jubilee. The tree, an upright cherry, was kindly donated by Sir Tony and Lady Baldry and replaced the pear tree we had to have removed as it was at risk of becoming unsafe.
