Review of the Action Plan

- Councillors discussed the action plan that was created in the first meeting. They decided what they needed to work on and which areas can be discussed with teachers in their own classes.
- They decided that it was important to support the review of Inclusion and of the Behaviour policy.
- They decided that it would be a good idea to try and improve the toilets at school.
- They decided it was important to continue to improve the outside areas and play opportunities.

The Big Ambition Survey by The Children’s Commissioner

- The councillors all completed the survey, either individually or with their class.
- Natalie had to make the questions more accessible to all students at school by providing symbols.
- All councillors said they found the survey confusing and most couldn’t answer all the questions.
- All councillors shared their answers with the group.
- They decided they should tell the Children’s Commissioner that they survey was not good enough.

Review of Inclusion

- In a whole school assembly on Friday 26th January, all pupils took part in a feedback session with teacher, Rachael.
- They shared their opinions about Inclusion which will contribute to the review of Inclusion this year.

Improve play and lunchtime clubs

- This year the Student Council is responsible for exploring different options for lunchtime clubs, including visiting coaches.
- This work will begin in the Spring term when the councillors will start to contact local groups and clubs.
