

7th Family Group develop their First Aid Skills

The pupils in the 7th Family Group participated in a wonderful session on First Aid and what to do if someone needs your help with a medical emergency. They were particularly enthusiastic about performing CPR on the dummies to practice their technique.

Red Nose Day

Across the school everyone threw themselves in to supporting Red Nose Day and doing something funny for money. This included creating amusing films, dressing up and telling jokes. Everyone had a great time sharing this in our assembly.

Oxfordshire SEND Improvement process

Oxfordshire County Council continues to work towards improving the effectiveness of the SEND system following the poor inspection outcome last year.
