

The 6th Family Group were delighted to be joined by Antiques Roadshow legends Charlie Ross on a recent filming trip to Broughton Castle, as part of their work on this year's Christmas Production. We can't wait to share with you our Film and the Live Production.

Thanks to the hard work of the Friends of Frank Wise School and the generosity of the local community, combined with a cancelled order, we will be taking ownership of our two new minibuses significantly earlier than expected and hope to have them early in the new year. We will then begin the process of trying to fundraise to replace the remaining older vehicle, so that we have a fleet of brand new vehicles.
