

Student Council

ANNUAL REPORT 2025

The councillors all worked hard to achieve their aims across the year, as well as supporting developments within the school. They have achieved lots for the students of FWS!

WHAT HAVE WE ACHIEVED THIS YEAR?

- More play equipment outside, more time playing outside, improve wooded area/wildlife garden
- Share opinion with local government
- Continue to review lunches
- Continue to support clubs at lunchtime
- Encourage use of the libraries

SHARING OPINIONS WITH LOCAL GOVERNMENT

We shared our opinions with Oxfordshire County Council on Annual Reviews, jobs and work experience

ENCOURAGE PEOPLE TO USE THE LIBRARIES

We created book reviews to decorate the libraries.

IMPROVE SCHOOL LUNCHES

We designed our own lunch menu with lots of healthy options, which was shared with staff and the company who plan school lunches.

We helped to review the current school lunch menu to find out which meals were the most popular.

PLANNING DEVELOPMENTS IN THE WILDLIFE GARDEN

We helped to plan improvements in the Wildlife Garden and made bird boxes and bird feeders.

WORKING WITH THE SCHOOL GOVERNORS
