

## 6th Family Group get Rock Steady

Pupils in both the 6th Family Group and the 4th Family Group have been having the opportunity to join sessions with Adam from the Rock Steady Music School. Each week he comes in with a trolley full of instruments and is teaching both classes how to perform a song. For those of you with long memories Adam used to work here and he is amazing with our students and the sessions are brilliant for all involved.

## Consultation is still open

Many thanks to all of you who have already contributed to our consultation on reducing the teaching week in order to accommodate the increasing volume of training we are being expected to do. If you have not yet contributed and wish to do so, the consultation will be remaining open until **Friday 20th February**. The information can be found here - <https://frankwise.oxon.sch.uk/consultation-on-a-one-hour-reduction-in-the-teaching-week/>

## Keter continue to support our inclusive work experience / experience of the workplace programme.

A group of GC students visited in January and were delighted by the sights, sounds and smells of their production line; from the robots who have mechanised part of the process, to the fork lift trucks whizzing around the factory and the smell of plastic being recycled to form new products. Students donned hats and high visibility jackets to move around safely and were warmly welcomed by everyone. They had to drag themselves away from a highly inspirational tour. Thank you to the team who showed us around! We hope to be back.

## Quick Tips for Families

Support for children on managing children's digital lives from the Children's Commissioner. - <https://www.childrenscommissioner.gov.uk/resource/what-i-wish-my-parents-or-carers-knew-a-guide-for-parents-and-carers-on-managing-childrens-digital-lives/>
