Residential Trips

The school's programme of residential trips is now in full swing, the cost of which is heavily subsidised by the Friends of Frank Wise School.

You can find out more about the Friends and how to support them here - <https://frankwise.oxon.sch.uk/friends-of-fws/>

Here are a few images from the trips which have already happened.

Offsite Learning with 4FG

At Frank Wise we work hard to ensure that what is learned in the classroom can be functionally applied beyond the school.

Here are the 4th Family Group enjoying a trip in to town to make use of a local Cafe for applying their money skills in a real life context.

SEND Reforms Reminder

In the recent edition of Wise Up, we highlighted the current consultation on reforming the SEND system. This consultation closes on May the 18th, so if you want to have your thoughts considered by Government, then any contribution will need to be submitted by then. You can find all of the details here - <https://www.gov.uk/government/consultations/send-reform-putting-children-and-young-people-first>

Save the Date

We thought it would be helpful to let you know as early as possible that Sports Day will be taking place on Tuesday 14th July, with the back up date being Wednesday 15th July, in the event that we have bad weather forecast for the Tuesday.

Careers Day- Thank You

We had an amazing Careers Day last term, supported by Banbury Community Support Services, Norbar, EKFB, Louise Hunt (Paralympian), Valary Hotels, Claire Eccles, When Equality, The National Trust and The New Theatre Oxford.

It's one thing for our students to learn about the professional world from ourselves, but it's a completely different experience for them to hear directly from those out there doing the jobs. It was a great example of what partnership with our communities can achieve.
