Making life Better

Can we help? We're an Oxfordshire disability charity that uses technology to unlock fun, independence and inclusion.

Get in touch if you have a physical disability that limits or stops you from playing video games, or you know of someone who has urgent and severe physical challenges after a traumatic illness or injury, or if your child is in education and is facing long-term medical isolation due to immunodeficiency. We welcome enquiries from people of all ages and we don't charge for any of our help.

“ I can't do much by myself, but I can play video games - it gives me a great sense of independence and achievement!” - *Becky, who has cerebral palsy*

“ It almost doesn't bear thinking about how Rob would have coped without it.” - *Rob's father, after his son used an eye-controlled computer following a spinal injury*

“ My robot helped me at school when I couldn't go, and he kept me in touch with my friends.” - *Seren, whose medical treatment meant that she couldn't attend school for several months*

Connecting disabled people in Berkshire, Wiltshire and Oxfordshire with horses, opportunity, and life-changing support

A MEMBER GROUP OF THE RIDING FOR THE DISABLED ASSOCIATION (RDAUK)

WHO ARE WE?

Aim RDA is a member group of the Riding for the Disabled Association (RDA), founded in 2024 by a group of passionate, experienced volunteers. We are named after our core values of "ability, independence, motivation", which are present in all of our accessible equestrian activities.

WHO ARE WE FOR?

Aim RDA works with disabled participants aged 8+, with no upper age limit. We prioritise those who would otherwise struggle to access mainstream riding provision. Our approach is participant-focused, empowering and progressive: RDA can be so much more than most people realise.

WHERE ARE WE?

Shrivenham Equestrian Centre, SN6 8LA: Wednesday evenings & Sunday afternoons (coming 2025)
Lambourn RDA, RG17 0TJ: Friday daytime (unmounted sessions only) & Saturday afternoons

WHAT DO WE DO?

Aim RDA connects disabled participants with horses, through accessible riding and unmounted equine-assisted activities. Our sessions are as diverse as our participants, and range from therapeutic to technical and competitive. Riding and spending time with horses can provide unmatched, life-changing benefits to mental and physical well-being, social, motor, and coordination skills. We have experience of a diverse range of disabilities. RDA's motto is "it's what you can do that counts": Aim RDA wants to "make it count" for every participant in its family.

Short Breaks Update for Families with Disabled Children and Young People

If you have a child with SEND aged 0-7, we're asking for your views on accessing childcare in the EARLY YEARS:-

<https://www.surveymonkey.com/r/PPDY8ZW>

This short, anonymous survey asks about:

- your experience of looking for a place
- what has worked well
- any difficulties you have faced

You can still take part if your child has not attended a nursery or formal childcare setting - we also ask about what support may have been useful to you. This survey will help Oxfordshire County Council and local partners better understand how to improve access to childcare and ensure settings are equipped to support children with SEND.

Thank you for your time and feedback!

Roles and Responsibilities involved in managing your relatives finances

Thursday 4th
June 2026
10.00 am -
14.00 pm

About the Event

A free information event for all family or sibling carers to help them plan ahead for their relative with a learning disability and /or autism who need support to manage their finances.

We know many family carers worry about how their relative is going to manage their finances when they become an adult or they themselves are no longer able to support them.

How will my relative's benefits or personal budget be affected if we want to leave money for them in a will?

I'm worried that the bank will think my relative is able to manage their own finances, even though I know they need support. How can I still be involved?

What if there is no family to support my relative with their finances when I am no longer around?

What is a discretionary or disabled persons trust? How do they work?

If my relative is able to do some work how will this affect their benefits?

At this event you will hear from key speakers who will talk about what steps you can take to start planning for the future to ensure that your relative is financially supported.

There will be the opportunity to ask questions & the speakers will be available throughout the event.

Where:
Seacourt Hall,
3 Church Way,
Botley
OX2 9TH
