

## Tennis

This year, we were pleased to once again receive funding from the Tim Henman Foundation through their Inclusive Activity Programme, allowing classes to take part in weekly tennis lessons at Banbury West End Tennis Club in Adderbury. Several classes have enjoyed this fantastic opportunity, with sessions delivered to an exceptionally high standard by the ever-popular Sam Frost, who has also been leading lunchtime tennis sessions here at Frank Wise School.

## Flooring Restoration

Over the Summer, our Site Manager Dave will be overseeing the restoration of the Hall floor. As one of the most used parts of the school, it experiences a lot of wear and tear, so we are aiming to sand it back and revarnish it so that it looks better and can last a few more years to come. We just have to decide which colour to go for now!

## Change of Times on Fridays

We thought it would be helpful to remind everyone that from September, the pupils will be finishing school at 2:30 on Fridays, so that staff can complete training and professional development activities. We will be publishing the list of the training that will be being covered in due course, so that you can see what it is that we will be doing with the time available.

## Website Update

Over the next few weeks we are intending to start updating some of the pupil pictures on the school website, in order to ensure that it remains fresh and up to date. Here is a preview of some of the images that we might end up using.

## Quick Tips for Families
