Parent Carer Forum SEND Survey 2026

Oxfordshire Parent Carers Forum (OxPCF) has launched its Parent Carer SEND Survey 2026. The survey asks families what SEND support is really like for them. It covers education, EHCPs, health and specialist support, reasonable adjustments, transitions and preparation for adulthood. The findings will help build a clearer picture of families' experiences and provide important parent-carer evidence.

The survey closes on 1st October 2026.
